

NAPPUCCINO NEWS

So here we are with the second edition of 'Nappuccino News'. As editor, I would like to apologise profusely once again for the delay in getting this to you. I can't think why it's taken so long other than I've spent far too much time playing with babies, getting pampered, looking after babies, getting pampered again oh and a touch of procrastination thrown into the mix maybe!! Somewhere in there I do find time to do a little bit of work (more of that later). As a team, the last few months have been busy for us - Fiona has said goodbye to Edie, hello to Aoife and became permanent mummy to Jimmy on 15th April 2010. Jane, who has been on maternity leave from Nappuccinos since Easter, gave birth to a beautiful baby girl on 7th June 2010. Maisie Jane Iona was born at 10.29am weighing 7lbs7oz. Hopefully she will make an appearance at Nappuccinos in the next few weeks.

Statistics: I am also thrilled to report that since January 2009 we have welcomed 98 babies through our doors at Nappuccinos including our first set of twins!

Ness, Cathy & Fiona plus their girls after the Cancer Research Race for Life - 6th June 2010

Most of us have been affected by cancer at some point in our lives - if not personally, then indirectly by a relative, close friend or acquaintance. For one of our Nappuccino mums this became a harsh reality earlier this year. Katie, mum of Holly 12 months, was diagnosed with a malignant brain tumour in January this year and had to undergo surgery to remove it. The subsequent months have been fairly arduous for Katie, with intense periods of radio and chemotherapy. Aside from prayer, we wanted to show our support to Katie, amongst others, in a practical way and so Fiona, Ness, Cathy and their daughters 'donned the pink' and put on their running shoes to take part in the Cancer Research 5k Race for Life sponsored by Nivea on 6th June. A great time was had with Ness and the older girls completing the 5k in an impressive 32 minutes! Fiona and Cathy brought up the rear with Abigail (5) & Lottie (7) in just over an hour. If anyone would like to donate to this worthy cause please go to www.justgiving.com/cathytroupe Every penny donated goes direct to Cancer Research and is used to fund this vital research - a lot of it undertaken right here in the East Midlands.
